COVID-19 Vaccination Myths Busted

High levels of misinformation and vaccine mistrust are undermining widespread efforts to put an end to the COVID-19 pandemic. With the help of [Dr. Ashish Parikh](#),

Chief Quality Officer of Summit CityMD, we're able to dispel some of the most common myths about COVID-19 vaccines.

Health Disparities Uncovered

FROM A PATIENT'S PERSPECTIVE...

"Dr. Gantz [SMG Cardiologist] is the best. A doctor visit is usually an inconvenient event. Dr. Gantz makes it a pleasure. I get the most competent exam and medical advice. I also get the pleasure of his company. I highly recommend Dr. Gantz. Accolades also to the staff."
